This catalog profiles many of our designs. Every item is unique and may vary a bit from any images displayed. Due to this nature of PLANKSTERS™ designs, they are essentially custom.

This can cause prices to vary a little as outdoor vs indoor necessitates several production differences. We are also reasonable, and willing to negotiate. Quantity purchase, as always, are discounted over individual prices.

Please, enjoy our catalog; and don't hesitate to contact us for pricing or to discuss a unique design, that YOU have in mind.
